

Listen EVERYWHERE is Here!!!!

We have just illuminated the excuse of not coming to church because it's too hard to hear! This new technology works with our existing sound system, your phone or our handsets, and the Bluetooth on your hearing aids or headphones.

1. If you have a cell phone, download the Listen EVERYWHERE app
2. Once you are at church, set your WIFI to **listennow**. The password is **guest123**
3. If you do not have hearing aids with Bluetooth or you just don't have hearing aids, you can bring your own headphones or use the ones at the church.
4. **If you do not have a phone**, we have Listen EVERYWHERE devices you can use.

This is a new technology for all of us so there will be some learning to do by all of us. If you would like help setting yourself up on Sunday morning, please come early!!
