BOARD CHAIR

Easter has come and gone and we still have -16 degree mornings. But fear not for spring is around the corner although right about now I wonder about which corner that is …. LOL
We have had a number of wonderful events occur around our church in the last few months and look forward to a number more in the near future as we truly move into spring and the summer.

So many things have been going on around the church with an active Youth Group, Women's Group and the Crafters.
A men's group is in the works as well.
In addition, our services have been well attended, invigorating and spiritually satisfying.

The activities and constant use of our facilities gives us life and calls us to ensure that we continue to grow in all facets of church life.

Keep your eyes open for information about the Second Hand Sale being put on by the Fundraising Working Group in June and the Family Camp out at Camp Duncan the weekend of July 4th, mark your calendars.

As the snow recedes and tulips push out of the ground, I hope you enjoy the signs of renewal all around you, remember each new day brings new joy and possibilities.

Be well and God Bless

Rejean Langlois, Chair

FINANCE COMMITTEE

Hello, my fellow brothers and sisters at St. Paul's United. After a very long, cold and snowy winter, spring is trying to break out. It is so good to feel that spring sun on our faces again and to prepare for flower and garden season.

During the winter season we continued to show growth at our church. We are seeing more families, children and youth coming out each Sunday. New faces abound. God continues to shine on our church.

I would like to share a bible verse with you for a moment. This is from **Hebrews 13:16**
"And do not forget to do good and to share with others, for with such sacrifices God is pleased."

With our expanding growth comes pressure on our programming and outreach, both to the congregation and the community around us.

I ask your prayerful consideration when presenting your gifts and tithes to further our expanding endeavours and programming so that this growth can be sustained.

Let's keep our focus on broadening our faith and encouraging others to join in this continuing faith journey that our congregation is on.
May our gracious Lord make his face to shine upon you and yours at this wondrous time in our lives.

Ray Quinn, Chair

St. Paul's this spring …
